

Press Release

The Najla and Abdo Nasser Pediatric Intensive Care Unit at Saint George Hospital in Beirut

In honor of his parents Najla and Abdo Nasser, Mr. Jacques Nasser has recently donated \$250,000 to the American Foundation for Saint George Hospital to equip the pediatric intensive care unit of the Children's Hospital at Saint George University Medical Center in Beirut, Lebanon. A giant in the world of business, technology and industry, Mr. Nasser was born in Amyoun, Lebanon, and was raised in Australia. He is past CEO of Ford Motor Company. During his tenure with Ford, he consolidated the automotive industry, augmenting the company's portfolio with the multi-billion purchase of Volvo, Range Rover, and Mazda. After leaving Ford in 2001, Mr. Nasser became a senior partner at One Equity Partners, a subsidiary of Bank One. Because of his significant contributions to humanity, industry and technology, he was decorated by the governments of Lebanon and Australia. He also received the Ellis Island Medal of Honor. In appreciation of his service to St. George Hospital and the people of Lebanon, the American Foundation for St. George Hospital recently honored Mr. Nasser at the prestigious Cosmos Club in Washington, D.C.

The mission of the Children's Hospital's at St George is to provide comprehensive, specialized health services that enhance physical and mental health and well being of children in Lebanon and the region. The American Foundation for St. George Hospital (Director@stgeorgefoundation.org) continues its effort towards achieving this goal.
